## Dear HVVC Parents and Players

We are proud to announce our 2017 fall programs. Our HVVC TOP coaching staff will run all of our programs, clinics and private lessons.

Our regular tryouts will start after the high schools finish their district tournaments. This avoids conflicts with school teams and lets us evaluate players after they have developed their skills through the school season.

We continue to keep our Club goal, which is to give each player the best opportunity to play volleyball. We are also working to establish a consistent Boys program, and will start with Sunday Fall Training and make more plans for winter 2017/18.

We look forward to another successful season.

## 2018 HVVC Membership:

The 2018 HVVC membership offer encompasses our entire club. If you plan to play on any HVVC Club team next year this is your best option for saving money.

**This membership fee is \$350.00 and is non-refundable.**

- \$250 can be applied to the down payment for our Winter or Spring-Local or Satellite teams
